

**A Prayer for Awareness** - *Today we know of the energy that moves all things: the oneness of existence, the diversity and uniqueness of every moment of creation, every shape and form, the attraction, the allurements, the fascination that all things have for one another. Humbled by our knowledge, chastened by surprising revelations, with awe and reverence we come before the mystery of life. Amen.*

God of love and light, lead us to understand ourselves as part and parcel of one another. Help us to value our connections and release the differences which lead us to quarrel. ## **Call to Worship**

One: The heavens are telling the glory of God;  
and the firmament proclaims his handiwork.  
Day to day pours forth speech,  
and night to night declares knowledge.

**Many: There is no speech, nor are there words;  
their voice is not heard;  
yet their voice goes out through all the earth,  
and their words to the end of the world.  
In the heavens he has set a tent for the sun,  
which comes out like a bridegroom  
from his wedding canopy,  
and like a strong man runs its course with joy.**

One: Its rising is from the end of the heavens,  
and its circuit to the end of them;  
and nothing is hid from its heat.

**Many: The law of the LORD is perfect,  
reviving the soul;  
the decrees of the LORD are sure,  
making wise the simple;  
the precepts of the LORD are right,  
rejoicing the heart;  
the commandment of the LORD is clear,  
enlightening the eyes;  
the fear of the LORD is pure,  
enduring forever;  
the ordinances of the LORD are true  
and righteous altogether.**

One: More to be desired are they than gold,  
even much fine gold;  
sweeter also than honey,  
and drippings of the honeycomb.

**Many: Moreover by them is your servant warned;  
in keeping them there is great reward.  
But who can detect their errors?  
Clear me from hidden faults.**

One: Keep back your servant also from the insolent;  
do not let them have dominion over me.  
Then I shall be blameless,  
and innocent of great transgression.

**Many: Let the words of my mouth  
and the meditation of my heart be acceptable to you,  
O LORD, my rock and my redeemer.**

## **Arise Your Light is Come**

Arise, your light is come! The Spirit's call obey;  
Show forth the glory of your God, which shines on you today.

Arise, your light is come! Fling wide the portal door;  
Proclaim the captives' liberty, good tidings to the poor.

Arise, your light is come! All you in sorrow born,  
Bind up the brokenhearted ones and comfort those who mourn.

Arise, your light is come! The mountains burst in song!  
Rise up like eagles on the wing; God's power will make us strong.

## **The Gift of Love**

Tho' I may speak with bravest fire,  
And have the gift to all inspire,  
And have not love, my words are vain  
As sounding brass, and hopeless gain.

Tho' I may give all I possess;  
And striving so, my love profess,  
But not be giv'n by love within,  
The profit soon turns strangely thin.

Come, Spirit, come — our hearts control;  
Our spirits long to be made whole.  
Let inward love guide every deed;  
By this we worship, and are freed.

## **Love Lifted Me**

I was sinking deep in sin, far from the peaceful shore,  
Very deeply stained within, sinking to rise no more.  
But the Master of the sea heard my despairing cry —  
From the waters lifted me; now safe am I.

*Refrain: Love lifted me! Love lifted me!  
When nothing else could help, love lifted me! (2x)*

All my heart to Him I give; ever to Him I'll cling,  
In His blessed presence live, ever His praises sing.  
Love so mighty and so true merits my soul's best songs;  
Faithful, loving service, too, to Him belongs. *Refrain*

Souls in danger look above; Jesus completely saves.  
He will lift you by His love out of the angry waves.  
He's the Master of the sea; billows His will obey.  
He your Savior wants to be — be saved today. *Refrain*
