Message from Pastor Carol...

"There is no power for change greater than a community discovering what it cares about." ~ Margaret Wheatley

Beloved People of God,

October has always felt to me like a month of noticing. We notice the changing light, cooler mornings, glorious colors in the trees, and the harvest in our gardens and fields. Perhaps October is also a good time to notice: **Where are our hearts?**

Jesus says, "Where your treasure is, there your heart will be also." We often hear those words during stewardship season as a reminder about financial giving. But Jesus invites us to look more deeply. Our treasure is also our time, attention, gifts, energy, compassion, and what we choose to nurture. So, I find myself thinking: **Look where our hearts are.**

On October 4, as we gather for morning worship before Fall Festival, we'll celebrate the gifts and beauty of our community through music, poetry, and readings with contributions from many folks. Then morning gives way to a festive day of pumpkin rolling, laughter, good food and fun as we enjoy what makes Westhampton feel like home.

On Sunday, October 11, we'll celebrate World Communion Sunday, gathering around Christ's table and remembering our congregation is part of something much larger, reminding us that God's table is always bigger and more inclusive than we imagine.

We continue gathering on third Sundays of each month, to look together toward peace. In a world that knows far too much conflict and suffering, we pause, pray, share and hope and even sing. We may not be able to change the whole world, but we can choose what we give our attention to, and what we nurture.

Perhaps that is the invitation of stewardship:

Look where our hearts are – and ask what we want to grow.

On Halloween evening, our doors will be open to neighbors and trick-or-treaters, offering a warm and welcoming place to pause, connect, refresh and experience the joy of community.

October gives us an opportunity to give thanks for all the ways this congregation continues to grow. When I look at this church, I see hearts being given away every day – in welcome, generosity, friendship, service, peace, and love. I am grateful to be part of it with you.

Look where our hearts are.

There, perhaps, we will discover where God is calling us next.

Joy always,

Pastor Carol

Holiday House Fair coming soon on November 21!

The Holiday House Fair is only seven weeks away and many of us are working on hand-crafted items to donate. Every craft item is welcome, and we hope you will consider donating your specialty to the Fair, including wood-craft, pottery, knitted, sewn, and painted items, floral arrangements, and other goods, including delicious homemade food.

SILENT AUCTION OFFERINGS: We are also in need of higher-value items for ticket sales at our *Silent Auction*, such as larger wood crafts, clocks, yard/garden décor, bird houses, weathervanes, paintings, pottery, gift baskets, gift cards/certificates, quilts, afghans, and other artistic creations that will enable us to offer something for every taste. Have another specialty? We welcome it!

EXTRA: This year we are offering a table of *previously-owned* new or gently-used Christmas decorations at reduced prices. Please consider donating your unwanted Christmas décor when you clean out closets and other storage areas.

KIDS GIFT SHOP: This area is for children to shop for items that you would welcome as a gift from a child. Please consider donating any new or gently-used toys, games, candles, jewelry, men's wallets, small tools, and other items. *No clothing/textiles please.* Christmas wrap, assorted gift bags and tissue paper will also be welcome for children to wrap their purchases.

Thank you for your past generosity. Funds raised will allow us to continue supporting the needs of people within and outside our communities. Any questions, please feel free to contact Fair Chair Erika Subocz at 413-297-3780 or erika.subocz@gmail.com.

From Your Stewardship Committee:

"There Our Hearts Will Be"

Bill Keane wrote, *"Yesterday is the past, tomorrow is the future, but today is a gift. That's why it's called the present."*

We have so much to be grateful for. Life has its ups and downs, sad and stressful moments, but it has quite a few loving times and things to be thankful for. Many people hope to have enough money to live comfortably and have a well-stocked refrigerator. They need enough to pay their bills and keep the lights and heat on when needed, plus supplies for family living. But being able to pay it forward to friends, loved ones, and even strangers can be the greater gift, and makes the world a better place.

Matthew 6:21 states, *"For where your treasure is, there your heart will be also."* Treasures include valuable items as well as anything or anyone deeply loved and cherished. If we cherish someone or something, we hold it dear with love and affection. We tend to take care of those we love and things we treasure, and not let them slip by the wayside.

What are your treasures in life? What do you value that gives you love, joy, happiness, and a sense of peace and belonging? A hug from a loved one? A family meal together at last when a number of you are spread all over the country? Seeing the twinkling eyes and bright smile of a baby? Being part of a community that welcomes and supports others? Knowing that you are part of something larger, that your joint efforts make a difference?

Our hearts are wrapped up in all we treasure. Actions show others what that is. Our faith encourages gratitude, and giving our time and support to others helps our gratitude grow and expand. That's the treasure. That's the gift.

This year's Stewardship Sunday Campaign's theme is "There Our Hearts Will Be", based on that beautiful verse

from the Gospel of Matthew. Watch for your letter this month asking you to consider where your heart is, and what you may choose to give to the church for the coming year of your time, your talent and your treasure. Stewardship Sunday is November 17 when we will bless those pledges. More info to follow next month in the November Bell Tower.

Neighbors in Need Offering

The Neighbors in Need offering supports ministries of justice and compassion, with one-third of the offering given to the Council for American Indian Ministries and the remaining two-thirds supporting UCC justice ministries. In 2025 the Neighbors in Need Offering supported 26 grant recipients across the UCC who were engaged in projects of direct service and advocacy. This year, we will gather this special offering on Sunday, October 11. Thank you for your support and generosity!

Council on Aging...

New COA Coordinator Daniel Ingram

Greetings, everyone! My name is Dan Ingram, and I am the new Town of Westhampton Council On Aging Coordinator. Over the recent years I have worked with our wonderfully wiser folks in Hampden and Hampshire counties. I taught nutrition, exercise, and overall wellness as a community educator. Most of my experience is in the realm of health and wellness. I am also educated on food and sustainability. I volunteer on an organizing team that offers mutual aid and regenerative agriculture solutions through our Farm Friends network to farmers here in the Pioneer Valley. My other interests are food security and community building. I enjoy volunteering on the farm for the Food Bank of Western Massachusetts, and I also cycle each year in the Will Bike 4 Food event to raise funds for The Food Bank of Western Massachusetts. I am looking forward to meeting town residents and hope to enhance our intergenerational program opportunities.

October Luncheon: Fire Safety

Our October Potluck Luncheon is October 8 at the church and will feature delicious food and timely information on Fire Safety. Here in Westhampton we rely on Chief Antosz and his staff and volunteer firefighters and EMTs to keep us safe. Please come to learn the many ways you can keep yourself self — especially as winter sets in. Learn how to avoid cooking accidents, stay safe from falls and keep your fire extinguishers and smoke alarms in working condition. File of Life forms will also be provided.

Support the Friends of the COA with Pies

Forgot to sign up to donate a pie for Fall Festival? It's not too late to reach out to Marion Miller at 413-527-2264 or frankfdmiller@comcast.net.

Please keep in mind that the only restriction imposed on our sale is that none of our pies can require refrigeration. Please drop off all pie donations to the church kitchen on Saturday, October 3 between 10-12 so they can be cut and prepared for the sale. However, if necessary, they may also be dropped off on the day of the Fair beginning at 10am at the COA Pie table. Thank you in advance for your help in making this year's pie sale the huge success it's been in the past.

New Scholarship Opportunity

The James M. Diggins Scholarship, provided through the Northampton St. Patrick's Day Association, will be open for applications starting this Fall, *with an early deadline for applications in December*. The early deadline allows the recipient selected to be recognized before the St. Patrick's Day celebrations in March. This scholarship recognizes students who give back to their communities through volunteer service and meaningful community involvement. Students are encouraged to submit their application and take this opportunity to have their dedication to their communities recognized. Application details to follow in the November Bell Tower.

School/Community Gardens Update

Now that the season is changing, I want to bring you up to date with what's been happening at the School/Community gardens at HRHS and WES. It's usually difficult to keep the gardens neat, tidy and weed free during the summer vacations, however, we have had a couple of wonderful students at HRHS who have committed all summer to watering, weeding and harvesting veggies. There have also been some summer holiday classes and the students have been helping too. Some of harvest was left at the Food Pantry. I hope some of you were able to try the tomatoes, potatoes, peppers, cucumbers, peas and beans.

Of course now that schools are back in session, all the produce will be going to the kitchens, and that includes plenty of garlic, more potatoes, although not a good season this year, and plenty of tomatoes... some celery and leeks on the way.

Sadly, we have a difficult situation at WES, with the loss of the school Librarian who also managed the garden very well. We are struggling and would love it if there were additional community members or parents who might be interested in supporting this venture. Chris Wayne donated two grafted apple trees earlier this year for the WES school garden and these young trees will need attention if they are to grow to maturity. We are very grateful to Chris for his generosity. Cynthia Lawton-Singer has also agreed to donate Paw-Paw trees for both schools and for that we are also most grateful. I did not even know they grew and produced fruit this far north! Thanks again to Dave Antosz for filling the water tanks and to everyone who has been involved. It takes a village!

Keeping up with the garden project, which began in 2023 to produce organic food for school lunches, is getting more difficult, with less opportunity for teachers to meet and work in the gardens with their students. So if any of you have any suggestions as to how to keep our garden project going, please reach out to me with your ideas. Thank you! ~ Sue O'Rourke, 413-203-3040 suejorourke@yahoo.com; (contact details have been changed.)
