

## **Witherell Memorial Education Scholarship Fund**

### **Administered by the Westhampton Cong. United Church of Christ**

Established in 2018 by a bequest from Carol R. Witherell, this fund will provide financial assistance to students of any age seeking education above the secondary level. **To be eligible for a scholarship the applicant must be a resident of Westhampton or an active participant in the life of the Westhampton Congregational United Church of Christ, who:**

- 1) is a current high school senior intending to enroll in a post-secondary program or course of study that leads to a degree or a specialized certification in the coming academic year

*or*

- 2) is a student already enrolled in a post-secondary program or course of study that leads to a degree or a specialized certification and intends to continue their studies in the coming academic year

*or*

- 3) is a person who has completed high school/GED not currently enrolled in a post-secondary program or course of study but who intends to enroll in a program in the coming academic year.

According to the wishes of Ms. Witherell, awards will be based on financial need, school attendance or work history, community involvement, and evidence of serious interest in furthering your education. While academic standing may be considered, it will not be the primary determining factor of an award. All applicants and recipients are eligible to reapply in subsequent years, with repeat awards being made at the discretion of the selection committee. All information submitted in your application will be kept strictly confidential.

*All Westhampton residents are equally welcome to apply for this scholarship, and there is no expectation of repayment or involvement with the Westhampton Congregational Church, United Church of Christ. We believe we are called to love everyone as God loves us, freely and without reservation. Our unconditional love is inclusive of all people. We denounce acts of discrimination and violence against any person. As an open and affirming church, we joyfully welcome all people into our community, regardless of faith background, age, gender, race, sexual orientation, ethnic background, socioeconomic status or physical/mental abilities.*

## ***INSTRUCTIONS***

Tips for a successful application:

- 1) Please read the scholarship description to ensure that you are eligible.
- 2) Check that you have completed ALL fields of the application and attached all required supplemental material. If you feel you need to explain something or are unsure of exactly how to complete a section, feel free to attach additional explanation as needed.
- 3) Because financial need is the important criteria for this award, it is essential that you provide as much detail as you can about your anticipated program costs and debts, as well as anticipated financial support and assets. If you have not yet received an updated cost breakdown or financial aid award, please give your best estimate based on what you DO know, using published data or past year's awards.
- 4) If you are reapplying for this scholarship, please know that the committee looks for evidence that the applicant has made use of opportunities for growth. We suggest you consider getting a letter of recommendation from someone new – perhaps a current professor, major advisor, supervisor, etc. – rather than relying on the same person from before you began your program of study.
- 5) The April 30<sup>th</sup> deadline is a HARD deadline. Please plan accordingly!
